## About UAE FMA

جمعية الإمارات للتداول في الأسواق المالية  
UAE Financial Markets Association

The UAE Financial Market Association was decreed by the Ministry of Social Affairs in December 2011 and is the standard bearer for financial markets professionals in the United Arab Emirates; we have more than 200 members under the umbrella of the UAE FMA.

The UAE FMA is affiliated to ACI – The Financial Markets Association, the global umbrella body of national associations. The Paris-based body has more than 13,000 members worldwide in more than 60 countries. This makes ACI the largest international association in the wholesale financial markets. ACI – The Financial Markets Association was founded in France in 1955 following an agreement between foreign exchange dealers in Paris and London.

UAE FMA cultivate greater communication channels among members, markets, and other similar bodies so as to give members the opportunity to network through various events organized by the Association.
